Session Decision about the Covid-19

March 16, 2020

Dear CPC Family,

Out of an abundance of precaution and a commitment to do everything in our power to keep our worshippers and community safe, the Session of the Cocoa Presbyterian Church has decided to suspend for the time being all services and meetings. This means, starting tomorrow, our Church and programs, which include, but are not limited to: Sunday morning worship Services, Choir Rehearsals, adult and children's Sunday School, Bible Study, Circles, Busy Fingers, Youth-on-Fire Meetings, Men's Breakfasts, and Shepherds will be suspended until further notice.

As we suspend our having large gatherings and participate in social distancing, let us NOT cancel emotional and spiritual connections. It is our role as the people of faith and leaders to encourage connections in new and creative ways. Now is the time to pick up the phone and call one another. Now is the time to practice a video chat or video conferencing application. Now is the time to leave a gift of extra hand sanitizer and paper goods on your neighbor's doorstep. Now is the time to let people know that you are praying for them. Now is the time to stay home, to gather with your loved ones, and to connect in other creative and digital ways.

We will stream live our Sunday Services, our Sunday School Class, and our mid-week Bible Study. We encourage you to watch online on Youtube, Facebook, or in our website (more information on the other page). We will provide you all the information (times and dates) you need to maximize your ability to connect electronically with your home church on whatever devices you have (laptop, desk top, smart phone, etc.).

Your continued support is greatly appreciated and indispensable for our church during this time. Even though we are not having meetings we still have bills to pay. If you do not want to bring your check and offering to the office, you can mail it, or you can check with your bank to transfer funds from your checking account to the church account. If you have any questions, please call the office.

Our office will remain open during normal business hours, and we are here to help.

Let us continue to pray for those at risk, the medical profession and those in decision-making positions, and may God grow our faith in Him during this season. REMEMBER: Don't Panic.... PRAY!

Yours in Christ's Service,

Cocoa Presbyterian Church Session
